Chromite Ore Deposit in Orissa

4789. SHRI RAMACHANDRA KHUNTIA: Will the Minister of MINES AND MINERALS be pleased to state:

(a) the total areas of chromite ore deposit in Orissa and the total quantity of iron ore existing in Orissa;

(b) how many Government and private industrialists and owner of mines have taken chromite lines on lease in Orissa; and

(c) the details of royalty and revenue collected by the State Government or the Central Government during the years 1997-98 and 1998-99?

THE MINISTER OF STATE IN THE MINISTRY OF MINES AND MINERALS) DR. (SHRIMATI) RITA VERMA): (a) As per the Directory of Mining lease prepared by the Indian Bureau of Mines (IBM), as on 31.3.99, the total area under chromite mining leases in the State of Orissa is about 7473 hectares comprising 22 mining leases. The total quantity of iron ore recoverable reserves existing in the State of Orissa are 3294 million tonnes.

(b) As per information available with IBM, out of 22 chromite mining leases, the number of leases owned by Public Sector and Private Sector in the State of Orissa are 11 each respectively.

(c) The royalty on minerals is collected and retained by the concerned State Governments as per the rates specified in the Second Schedule to the Mines & Minerals (Development and Regulation) Act, 1957 under Section 9 of the said Act. No royalty is collected or retained by the Central Government. Details of revenue / royalty collected by the State Governments is not centrally maintained.
